HOME ECONOMICS FOR BETTER LIVING

When we say "Home Economics," we usually think of cooking and sewing; but it really includes more than these. Home Economics means training in economy, interior decoration, house planning, fitting, the choosing of colors and patterns for clothing, neatness, nutrition, food preservation, meal planning and serving, party decorations, and yes, even dish washing. The senior high division will also hold a Nursery School in the spring; the girls will study child growth and development.

CLASS PRAYER

Almighty God,

At the close of this our last school year, accept, we pray Thee, our humble thanks for Thy guidance and assistance in the past years.

We ask Thy blessing upon us now and in the days to come. Give us Thy divine strength to meet the tasks which will be set before us and make us faithful stewards of the education we have obtained.

Grant to us Thy peace and keep us ever in Thy will.

For Jesus' sake,
Amen

DEDICATION SONG

Tune: Now the Day is Over

High school days are over
Quickly they've gone by;
To our school and classmates
We must say goodbye.

Fond will be the memories
We will share of thee.
Cherished, fondly treasured
Thoughts of you will be.

To our happy school years
We must bid adieu.
We pledge our affection,
Northern High, to you.

CLASS SONG

By: Patrick Bittinger

Tune: The Old Lamp Lighter

Our days at Northern High are through,
Soon we must bid good-bye to you,
To teachers and the many friends we knew.
Fond memories will linger on,
Long after graduation's gone,
Of classes and the halls we love so well.

We studied hard within your walls;
The lessons we have learned
And now to new lives
Our faces we must turn.

Class Flower: Lilac

Class Color: Lilac and White

ORGANIZATIONS

STUDENT COUNCIL

The Student Council is the governing body of the school. The Council provides opportunities for pupil participation and expression, promotion of good leadership, and creating respect for others. Some of the aims of the council is to develop good school spirit, good scholarship, and encourage student participation in activities. Some of the activities the council sponsors are the magazine campaign, assembly programs, and homecomings.

Bonnie Friend was named Student Council president for 1960-1961. She has done a splendid job heading the council. The student body is proud of the progress made under her leadership.

STUDENT COUNCIL ALTERNATES

QUILL AND SCROLL

If you stand on tip-toe, you can see in this window. You will place your eyes on the Northern High School Chapter of Quill and Scroll, the National Honorary Society for Journalism. They are trying to promote better Journalism in our school. If you want to see if they are doing their work subscribe to the "Viking" and the "North Star." Mrs. Walker is their adviser.

BIBLE STUDY

The Bible Club, with Mr. Umbel as their adviser, seeks to provide fellowship for students interested in the Bible. Their programs include Bible Quizes and Gospel records. They also provide devotions over the Public Address System each Monday morning.

F. N. A.

This is room 215, with Mrs. Pavone in charge. The girls you see are the ones who are here to gain knowledge concerning opportunities in the nursing profession. They are given complete first-aid instruction for Red Cross standard first-aid certificates.

Senior majorettes are Kathy Beachy, Phyllis Friend, Sue Friend, Ellen Coddington, Drum Majorette; Ellen Ann McKenzie, Kathy Haenftling, and Ann Bender. These girls attended Oglebay Institute Drum Majorette Camp during the summer. They all work very hard to prepare performances for the football and basketball games.

SR. BAND

The Sr. Band, 56 members strong, has participated in various parades during the year and has played for our football and basketball games and pep rallies. They feel that the instrumental music program is as necessary and integral a part of school life as any other subject.

Both the Jr. and Sr. Bands participated in the county-wide instrumental music program last spring.

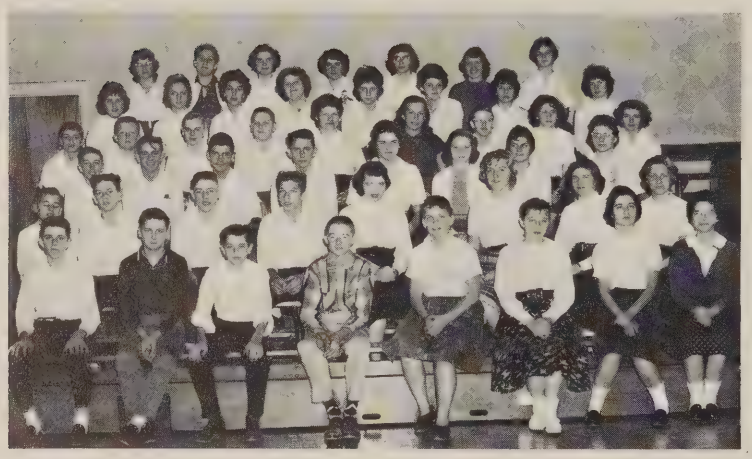
JR. BAND

SR. CHORUS

The Senior Chorus with its 59 members, under the direction of Mrs. Sines, has participated in many programs during the year. It presented a Christmas Program entitled "O Come to Us" and participated in the county-wide vocal music program in the spring.

JR. CHORUS

The Jr. Chorus also participated in both the county musical and the Christmas program and gave a program for the Jr. High.



QUARTET

Let's peek in here. See those young people around the piano? Well, those are the musical geniuses of our school who spend their club period singin' along. They are nine in number, and their adviser is Mrs. Sines.

DRAMA

The officers of the Drama Club are Carol Haenftling, president; Shirley Alexander, vice president; Nancy Yommer, secretary; and Tommy Speicher, treasurer. The club is planning a trip to Pittsburgh to see a play.

MAJORETTES

This group has 14 members, 7 of whom are active members of the Senior Band. They have participated in various activities during the year.

F. B. L. A.

The F.B.L.A. is composed of Business Education students who wish to develop business leadership and become useful citizens. The F.B.L.A. takes trips to business establishments and sends representatives to state meetings.

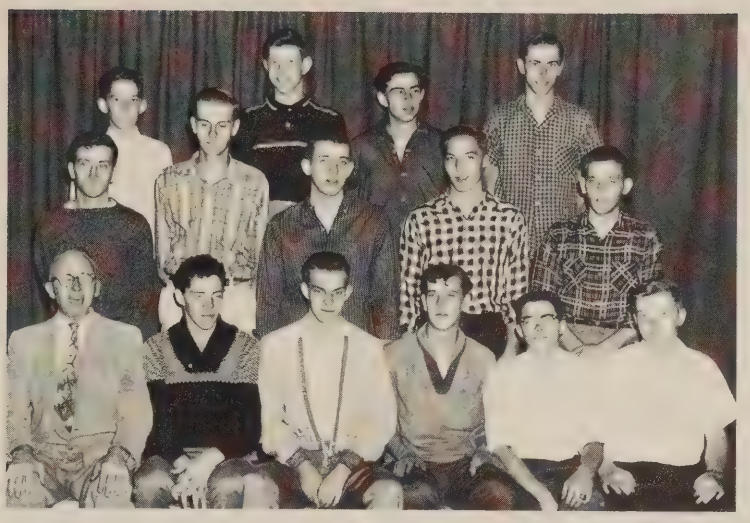
SR. F. H. A.

The 20 lovely girls whom you see when you look into room 113 during club period are the ones who under the supervision of Mrs. Hanst, are learning to be better homemakers. It is the same with the 47 girls over in 117, under the direction of Mrs. Lawton, who are the Junior members of the organization.

These two groups seek to encourage girls to take Home Economics, as well as to further a growing appreciation for the joy and satisfaction of homemaking. It also provides wholesome individual and group activities for its members.

JR. F. H. A

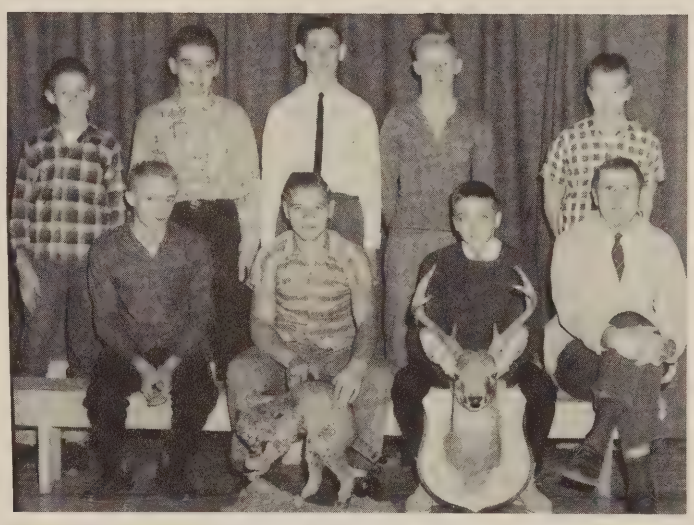
INDUSTRIAL ARTS

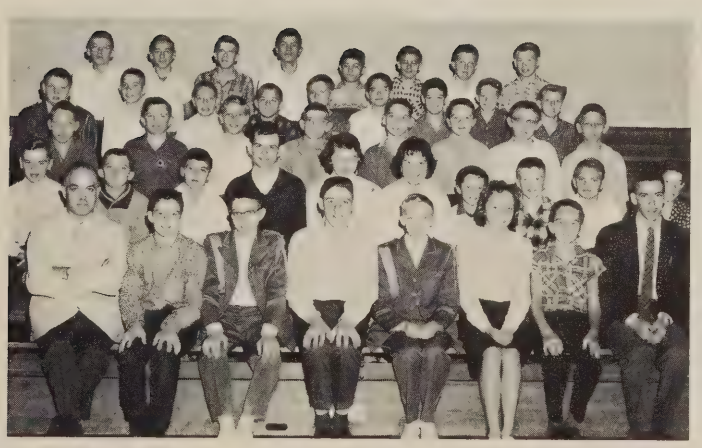


The Industrial Arts Club, under the direction of Mr. Garletts and Mr. Friend, has planned a trip to the steel center of Pittsburgh, as well as to have individual shop projects for each member. The Home Ec. Department will also benefit from one of the club's projects, a screen.

TAXIDERMY

The Taxidermy Club, under the direction of Mr. Strauss, aims to promote the principles of wildlife conservation. The club has 14 members.



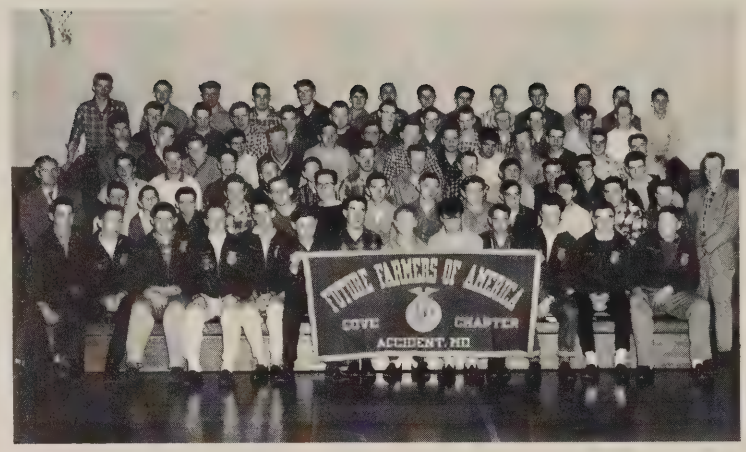


JR. SCIENCE

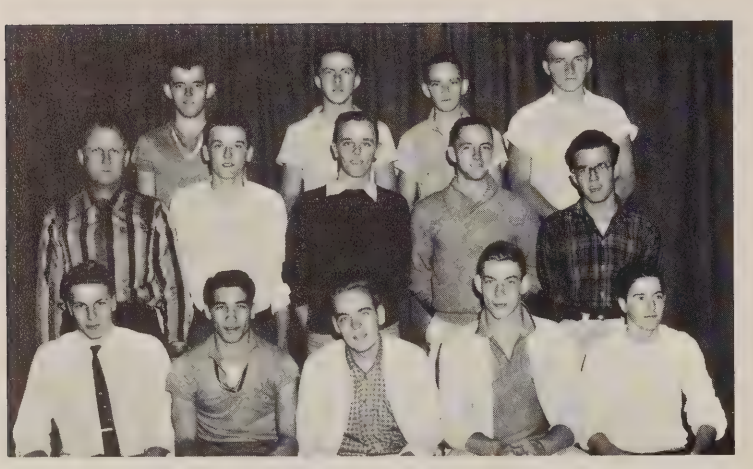
Under the direction of Mr. Keplinger, Mr. Wilson, and their president, Bobby Lowry, the 42 members of the "Scientists of Tomorrow" aim to understand the importance of science in their lives, to learn to perfect their skills in science, and to give service in their community and nation.

F. F. A.

The primary aim of the Future Farmers of America is to develop agricultural leadership, co-operation, and citizenship. Each member of the Northern High Chapter is required to have a project.



SR. LETTERMEN



These are 13 of the fellows who have earned at least one letter in either football, baseball, or basketball. With Mr. Brown and Dick McCurdy running things, they try to promote good sportsmanship in all athletic activities. They also buy jackets for seniors who participate in athletics and earn a letter of merit.

BOYS' RECREATION

The Boys' Recreation Club seeks to provide activities which will be useful in later life. The club has 46 members.
